

Birthday Party Booking Solutions

Today's busy families don't want to wait for an email or callback to find out whether the date and time they want for their party is open. They want to see which parties and packages are available, make their booking, and pay online when it's convenient for them...which is frequently after-hours and on weekends.

Doubleknot makes it easy for to manage online scheduling, booking and optional add-ons for birthday parties. As a result, your staff can focus on creating memorable experiences for your guests instead of juggling the calendar.

First, visitors select a date.

The calendar displays the parties available on that date.

Before checkout, they choose from a range of add-on options to make their party unforgettable.

Doubleknot's birthday party booking solution includes:

- A **searchable online availability calendar**, so visitors can view options at a glance and make their reservations 24/7.
- **Online and offline payment options**, payment schedules and automatic billing reminders.
- **Support for different party packages and for scheduling optional add-ons** like entertainers, activities, snacks and gift bag options.
- An **administrative booking calendar** and **comprehensive analytics and reporting**.
- **The Sales Station Mobile POS app** is included at no extra cost so you can collect outstanding payments or add last-minute items to the party by swiping a credit card.
- **Complete turnkey services**—we'll configure your calendar and party options to your specifications, set up online payment services and design the reservations screens to seamlessly fit into your existing web site.
